I'm Andrew Grashuis, and I'm proud to serve as the chair of the EGR Harvest + Beer Festival on Saturday, October 10, 2026.

Having lived and worked in East Grand Rapids for over 20 years, with three children in the EGR school system, I remain deeply rooted in this vibrant and tight-knit community. When EGR received its designation as a social district, I saw a unique opportunity to build something lasting—an event that would unite neighbors, celebrate our local identity, and give back in meaningful ways.

Last year, we introduced family-friendly activities like pumpkin painting, scarecrow building, and a Kid Zones, paired with live music, craft beverages, and local food trucks. And most importantly, all proceeds benefit local causes through the EGR Community Foundation. This mission-driven approach remains central to everything we do.

For 2026, we're expanding our vision—and we'd love to invite you to be part of it.

This year, sponsors have the opportunity to support one, two, three, or all four signature community events:

Gaslight Village Holiday Tree Lighting

Friday, November 26 • Regatta Plaza

Sidewalk Social – Wednesdays on Wealthy

May 20 – September 16 • 4PM • 8PM in Gaslight Village

The Taste of East Grand Rapids

Wednesday, August 19 • 5PM • 9PM in Gaslight Village

EGR Harvest + Beer Festival

Saturday, October 19, 2026 • 12PM • 6PM in Gaslight Village

By sponsoring one or more of these events, your business will:

- Gain high-visibility exposure to diverse, engaged audiences
- Align with events that have a strong charitable mission
- Show meaningful support for community enrichment and youth involvement
- Be recognized as a committed partner in building a better, more connected EGR
- We've assembled a dedicated and experienced planning team, and we're aiming to grow each event and make an even bigger impact for local causes.

Thank you for considering a sponsorship opportunity with us. I would love to connect personally to discuss how we can align your brand with these impactful community experiences.

Warm regards,

Andrew Grashuis
